To Whom It May Concern:

Re: Construction of Kelowna Secondary School by Maloney Construction Ltd.

Maloney Construction Ltd. recently completed the construction of Kelowna Secondary School.

The School District is very pleased with the final product produced by Maloney Construction Ltd. The Company was able to complete this \$15 million-plus construction project within budget and prior to the contract completion date. The daily presence of Mr. Wayne Maloney was greatly appreciated by School District staff and in our opinion contributed to the success of the project. Mr. Maloney was able to work through contract issues quickly and professionally. I would certainly look forward to the opportunity to work with Mr. Maloney and Maloney Construction Ltd. again.

Should you have any specific questions, please to not hesitate to contact me.

Larry Paul, C.A.  
Secretary-Treasurer
