To Whom It May Concern:

I am pleased to provide a positive recommendation for Maloney Construction Ltd. I have worked with Wayne Maloney and his firm on two separate occasions, once in 1994 completing a five million dollar health centre in Penticton, BC and recently in the construction of the fifteen million dollar Kelowna Secondary School.

Wayne Maloney and his staff are hard working individuals, committed to completing their jobs in a professional and thorough manner. They are positive, honest and helpful, making our experience together fun and fulfilling. I would not hesitate to recommend their services to other clients.

Sincerely,

.....
